

TRASTEVERE desk

MC Lab - 2017

DESCRIPTION

Pure geometry and material play at the service of design: Trastevere is a desk to fall in love with at first sight. Its legs in solid wood or ash, joining the body of the table, draw a characteristic double Y: a feature that becomes his signature in the set of its defining essential traits. The top can be made of glass fumè or bronze. To enrich the combination of Trastevere shapes, it is also possible to provide an optional rotating drawer unit, so as to give the set completeness and a different nuance of elegance.

DESCRIZIONE

Pura geometria e gioco materico al servizio del design: Trastevere è una scrivania di cui innamorarsi. Le sue gambe in legno massello o frassino, congiungendosi al corpo del tavolo, disegnano una caratteristica doppia Y: tratto che diventa la sua firma nell'insieme di tratti essenziali che la definiscono. Il top può essere realizzato in vetro fumè o bronze. Per eventualmente arricchire la combinazione di forme di Trastevere, è possibile prevedere una cassettera girevole opzionale, così da conferire al set completezza e una diversa nuance di eleganza.
